

VACEP/BTLS Reciprocity Application

Instructor certification may be accepted from any other State. An Instructor wishing to transfer to the Virginia program must apply to the Executive Committee for reciprocity by completing this form and attaching the requested documentation.

Upon receipt of the completed application, you will need to be briefed and monitored by a State Affiliate Faculty member in a Virginia provider course. The Affiliate Faculty member will then send a letter of recommendation to the Executive Committee for approval. If approved, a letter of acceptance will be issued through the expiration date of your current Instructor card. At the expiration of that period, a Virginia BTLS card will be issued if all recertification requirements are met.
